ESTATE PLANNING PROBATE & FAMILY LAW

ATTORNEY G. ROBERT COOPER'S goal is to serve you & your family's estate planning & probate needs. With more than 30 years of experience, he personalizes each plan he develops to best accomplish your personal & professional objectives through a variety of wills, trusts & powers of attorney.

Given the aging population and the escalating costs of elder & nursing home care, Bob emphasizes that the decisions & plans that families implement are absolutely critical to preserving estates & assets. He believes that each person has his or her own particular goals, hopes, dreams, concerns & fears. Good plans should reflect the values of the clients for whom they are designed and allow those clients to control the disposition of their estates, while minimizing estate taxes & elder care expenses. Responsiveness to clients' concerns & inquiries is Bob's priority. His work is thoughtful & thorough. He knows that the costs of responsible planning pale next to the decimating consequence of inaction.
